

Fortran Specialist Group Treasurer's Report 2020/21

The Group has had no expenses this year and I have done nothing as Treasurer. I did not even have to submit a budget bid for 21/22. The default was for the budget of the previous year to be resubmitted. This was essentially for running costs of £550 to cover the net costs of the AGM and afternoon meeting. We were allocated £263.81. If we need more, we can apply for Special Requirements Funding (SRF).

We need to consider whether we are likely to need funding this year and what we need for our budget bid for 21/22.

John Reid, 30/9/21
