

Fortran Specialist Group Treasurer's Report 2022/23

The only expense this year was my travel claim for £70.35 for attending the AGM.

I submitted a budget bid for 22/23 for AGM (£800 less £250 from IoP) and IST/5 meetings (£180) and we were given £0. We can make a bid for supplementary funding.

We need to consider whether we are likely to need funding this year and what we need for our budget bid for next year.
